- **Bachelor of Science (Geology)**
Obafemi Awolowo University | 2020

PROFESSIONAL SUMMARY

I am a dynamic and detail-oriented Frontend Engineer with 3 years of experience in building and optimizing user-focused websites and web applications. I specialize in delivering solutions tailored to diverse business objectives, ensuring high standards of user experience, performance, and usability. My technical proficiency spans a wide range of technologies, including TypeScript, React, Next.js, Zustand, Redux.

Adaptable to emerging technologies, I enjoy contributing to a collaborative development environment. With strong problem-solving skills and a passion for creating impactful, high-quality applications, I aim to drive success for both users and businesses alike.

WORK EXPERIENCE

Frontend Engineer

Switchive, Lagos, Nigeria

2024 MAY - Present

- Lead the development of an e-commerce admin panel, managing product, user, and order data with integrated analytics.
